

Juneau, Alaska, Jan. 29th, 1923.

Commissioner of Fisheries,

Washington, D. C.

Dear Sir:-

I am just in receipt of your favor of the 19th inst. requesting that I furnish you with statistical report upon the special form enclosed; same to cover my fishery operations in Alaska during the year 1922.

In reply be advised that I am not in business for myself at Juneau but simply act as Agent for the Sebastian-Stuart Fish Co. of Seattle, Wash; operations being largely confined to shipping fresh fish purchased at Juneau; also now and then do a little mild-curing.

If you will see that the forms in question are forwarded to Seattle office of the company I am sure they will be promptly filled in from their office records.

Very truly yours,

Forms enclosed.
